Information Not Legal Advice. TomBarbour.Com has been prepared for general information purposes only. The information on this website is not legal advice. Legal advice is dependent upon the specific circumstances of each situation. The information on this website is not a substitute for and does not replace the advice or representation of a licensed attorney. You should consult with a licensed attorney if you want assurance that the information on this website and your interpretation of it are appropriate for your situation. You should not and are not authorized to rely on this website as a source of legal advice. Your use of this website is at your own risk.

Lawyer Advertising. In some jurisdictions this web site may be considered lawyer advertising. By appearing on this website, Tom Barbour (TPB, PLLC) does not intend to offer professional services in any jurisdiction other than Virginia. Moreover, the listing of an area of practice or specialty does not indicate any certification or expertise in that practice area. The hiring of a lawyer is an important decision that should not be based solely upon advertisements. Any listing of an attorney does not constitute a recommendation of the attorney. Before hiring any attorney, you should investigate the attorney's reputation and qualifications.

No Attorney-Client Relationship. This website is intended only to introduce you to Tom Barbour (TPB, PLLC) and to convey basic information. Viewing this website or transmitting an e-mail message through this website does not create an attorney-client relationship between Tom Barbour (TPB, PLLC) and any user. Unless you are already a client of an attorney, your email may NOT be protected by the attorney-client privilege. Deadlines are extremely important in most legal matters. You may lose important legal rights if you do not hire an attorney immediately to advise you. Many people do not check their email daily, and some attorneys do not respond to unsolicited email from non-clients.

Case Results. Case results depend upon a variety of factors unique to each case. Case results described or reviewed on this website do not guarantee or predict a similar result in any future case.
